New Delhi.

The National Academy of Sciences,
Allahabad.

About the College

Sri Vasavi College, sponsored by Erode Vidya Sangam, is a co-educational institution affiliated to Bharathiar University, Coimbatore. Started as a pre-university College in 1967, affiliated to University of Madras by the altruistic and munificent Arya Vysya community people, it has now emerged as a beacon light of knowledge and excellence in higher education. With its glorious legacy and sterling reputation, the college is now offering UG, PG, diploma, certificate and research programmes both in the government-aided stream and in the self-financing stream.

About the Department

The Department of Mathematics offers under-graduate, post-graduate and research programmes leading to M.Phil., and Ph.D., both full time and part time in Mathematics. The UG and PG programmes were started in the years 1969 and 1981 respectively. The department blossomed into a full-fledged research department in the year 2002. Both UG and PG curriculum includes a judicious mix of pure and applied mathematics including computer programming subjects. Under the able guidance of the dedicated faculty, students have shown remarkable achievements in university examinations both at UG and PG level.

Theme of Workshop

Modern Mathematical Analysis plays a very crucial role in the applications of Mathematics. Real analysis, complex analysis, functional analysis and topology constitute an integral part of analysis. The objective of the workshop is to lay a strong foundation of the concepts of analysis through eminent mathematicians from various parts of India.

Resource persons

1. Prof. S. PONNUSAMY, ISICennai and IITMadras, Chennai.
2. Prof. S. THANGAVELU, Indian Institute of Science, Bengalore.
3. Prof. V.KANNAN, University of Hyderabad, Hyderabad.
4. Prof. P.KANDASWAMY, Bharathiar University, Coimbatore.
5. Prof. G.P. YOUVARAJ, University of Madras, Chennai.
6. Prof. J.K. PRAJAPAT, Central University of Rajasthan, Rajasthan.

Who can apply ?

Faculty members, post graduate students and researchers at all levels in the field of mathematics are welcome to participate in the workshop. Registration form can be downloaded from www.srivasavi.ac.in. Send your registration form to the workshop co-ordinator on or before 28.02.2018 either by post or mail.
